Do you need specialized transportation (paratransit) because a disability prevents you from getting to a bus stop? Call 509-557-6177 to receive an eligibility application.

What is Paratransit?

Paratransit is a wheelchair-accessible shared ride transportation service for individuals whose disability prevents them from using the regular fixed route buses. This means that a person must be unable, because of a disability, to get to or from the bus stop, get on or off a lift or ramp equipped bus, or successfully travel by bus to or from the destination.

Eligibility is based on limitations to an individual's abilities, not just the presence of a disability. Age or the inability to drive are not qualifying factors in and of themselves. All of TranGO's regular buses are fully accessible and equipped with ramps in order to board passengers who use wheelchairs. An application for service is required. The application includes a section for verification of your disability from a licensed medical or mental health professional. It is necessary to complete an application form if you wish to use the paratransit service. You may obtain an application by calling 509-557-6177 or by writing to:

2017

TranGO provides bike racks on all their buses. The racks hold two single seat, two-wheeled, non-motorized bicycles.

Each bicycle can be secured independently of one another. Whether you are going to work, school or play, you and your bike can ride the bus.

Our office is open Monday-Friday from 8:30am-5:00pm and on Saturdays from 8:30am-1:30pm for purchasing bus passes or purchase online at www.okanogantransit.com

How to Read the Schedule

The schedule is organized to show you bus arrival times. Choose your destination (across the top of the schedule) and look down the column to identify the time you want to arrive.

Follow the row (with your desired arrival time) to the left to find your desired boarding location. You may need to move up one row to find the best location.

If you are having trouble understanding or reading the schedule, we would be glad to help you. Call us at 509-557-6177.

In-Service Training Days

In order to provide safe, high quality service to all of you, we provide training to our bus drivers. No service will operate from 11am-2 pm on the 4th Thursday of each month.

Holidays

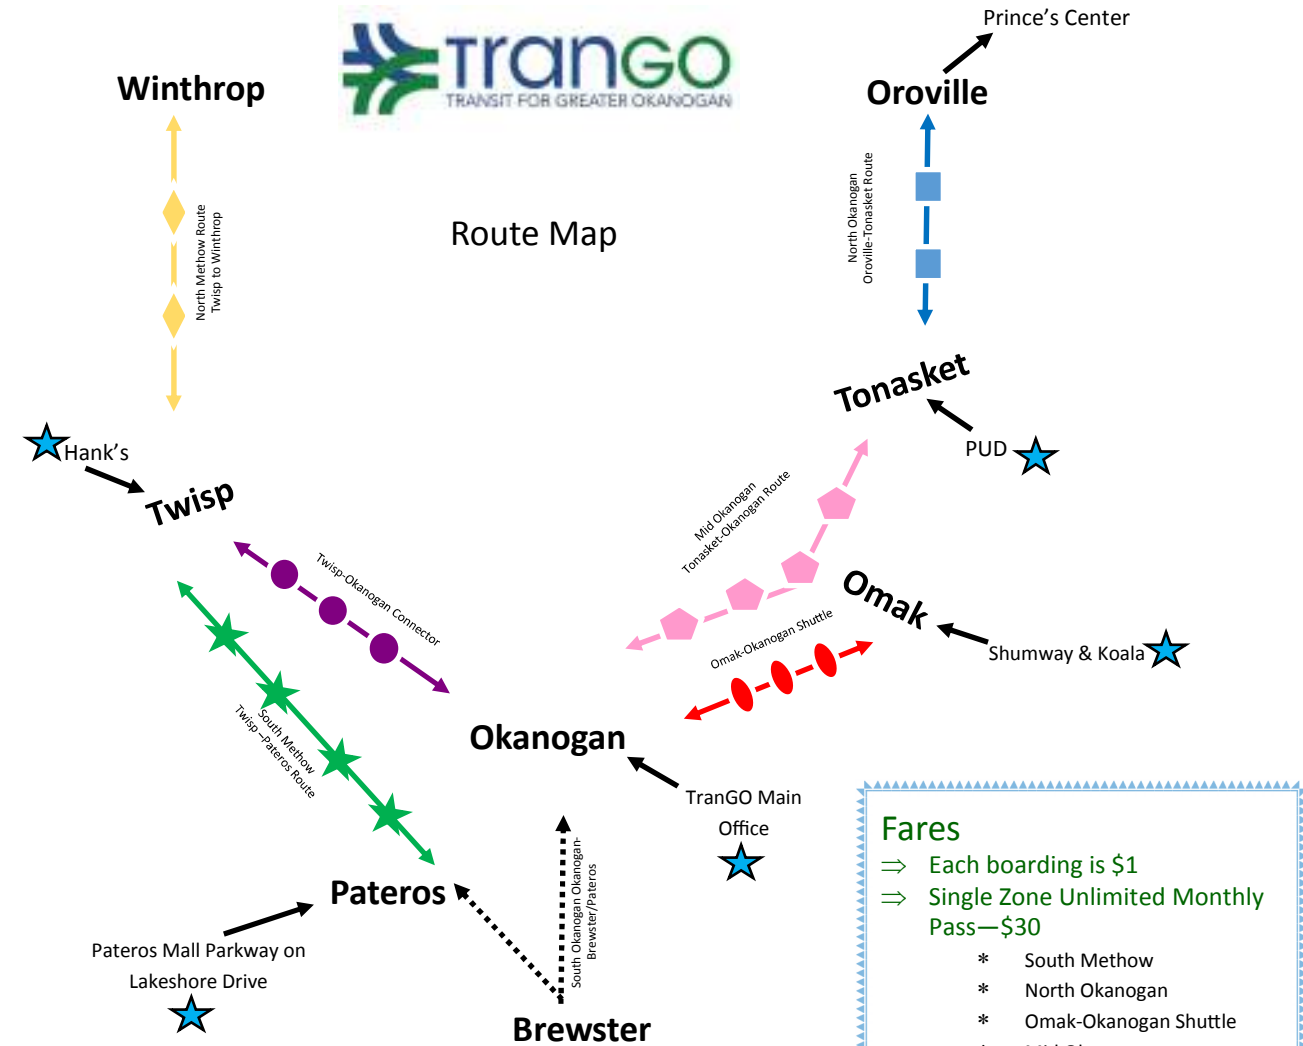

TranGO does not provide service on Thanksgiving Day, Christmas Day or New Year's Day. All other Federal Holidays will run on the Saturday Schedule.

Non Discrimination

Okanogan County Transit Authority is committed to ensuring that no person is excluded from participation in, or denied benefits of its transit services on the basis of race, color, or national origin, as protected by Title VI Federal Transit Administration (FTA) Circular 4702.1.A. If you believe you have been subjected to discrimination under Title VI, you may file a complaint.
