

Okanogan County Transit Authority (TranGO) wants to welcome you aboard the Okanogan County Transit System.

TranGO has partnered with Okanogan County Transportation and Nutrition (OCTN) to provide an efficient system. As partners, we are committed to providing safe, reliable and cost effective public transportation services that promote citizen access to work, recreation, commerce and public services.

Sit back, relax and enjoy the ride!

### Open Public Meetings

Our routes are extended by request so the public can attend Board meetings. Call for reservations. If you want to attend a regular or special Board meeting and need accommodation or transportation, please contact Melanie Carroll at 509-557-6177.

### Okanogan County Transportation and Nutrition (OCTN)

OCTN continues to provide door-to-door service in many areas throughout the county, and transportation to senior meal sites. OCTN also provides paratransit and regular public transportation services as indicated on this schedule. Please call to schedule a trip.

Local residents: 509-826-4391  
Long distance callers: 1-800-635-4391

**Do you need specialized transportation (paratransit) because a disability prevents you from getting to a bus stop? Call 509-557-6177 to receive an eligibility application.**

### What is Paratransit?

Paratransit is a wheelchair-accessible shared ride transportation service for individuals whose disability prevents them from using the regular fixed route buses. This means that a person must be unable, because of a disability, to get to or from the bus stop, get on or off a lift or ramp equipped bus, or successfully travel by bus to or from the destination.

Eligibility is based on limitations to an individual's abilities, not just the presence of a disability. Age or the inability to drive are not qualifying factors in and of themselves. All of TranGO's regular buses are fully accessible and equipped with ramps in order to board passengers who use wheelchairs. An application for service is required. The application includes a section for verification of your disability from a licensed medical or mental health professional. It is necessary to complete an application form if you wish to use the paratransit service. You may obtain an application by calling 509-557-6177 or by writing to:

### System Map

TranGO provides bike racks on all their buses. The racks hold two single seat, two-wheeled, non-motorized bicycles. Each bicycle can be secured independently of one another. Whether you are going to work, school or play, you and your bike can ride the bus.

## How to Read the Schedule

The schedule is organized to show you bus arrival times unless specifically noted. Choose your destination (across the top of the schedule) and look down the column to identify the time you want to arrive.

Follow the row (with your desired arrival time) to the left to find your desired boarding location. (You may need to move up one row to find the best location.)

If you are having trouble understanding or reading the schedule, we would be glad to help you. Call us at 509-557-6177.

### In-Service Training Days

In order to provide safe, high quality service to all of you, we provide ongoing training to our bus drivers. Training is scheduled from 11am-2pm on the 4th Thursday of each month.

**There will be no service operated during this time.**

## Holidays

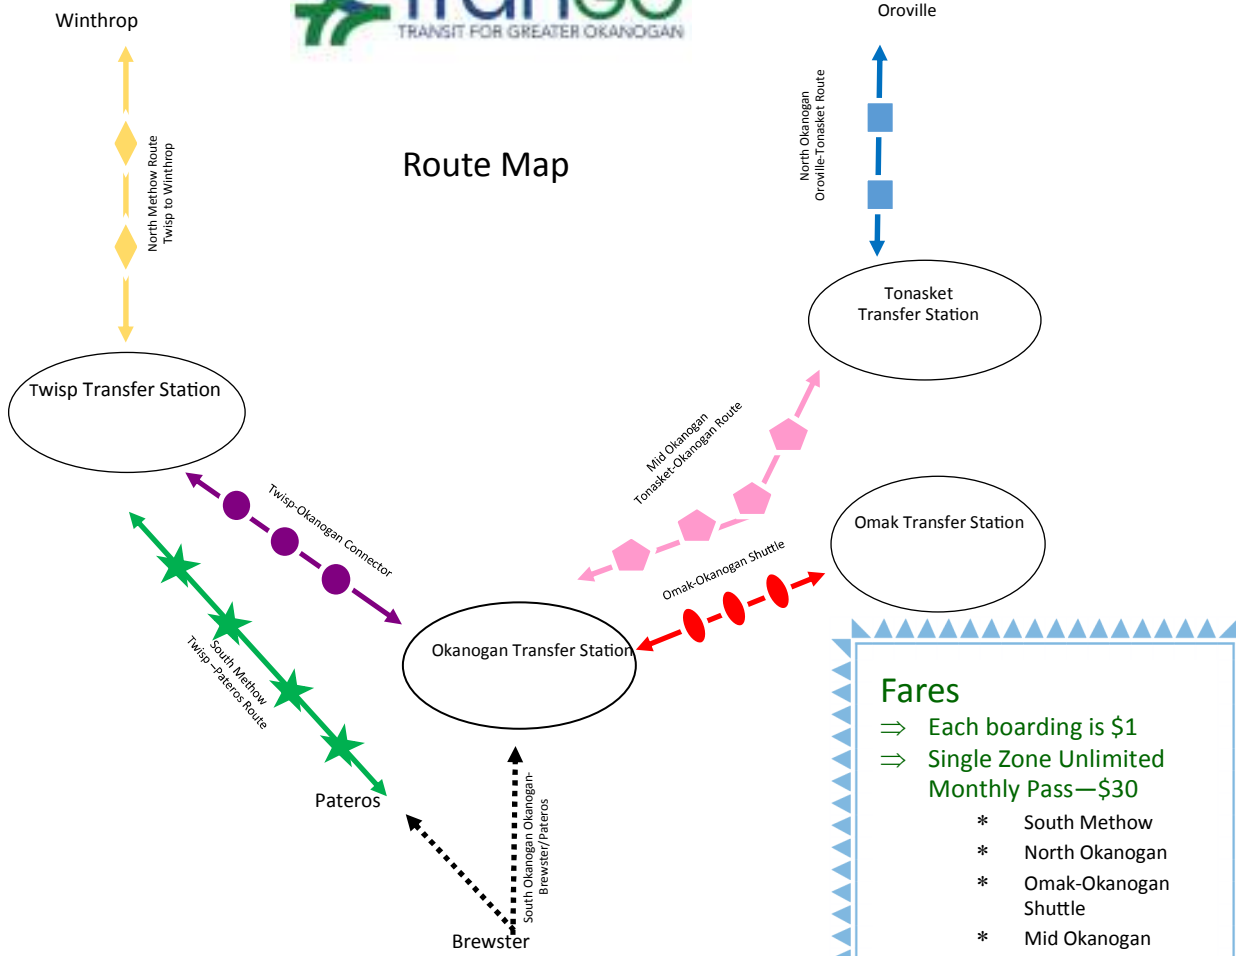

TranGO does not provide service on the following Holidays:

- Thanksgiving Day
- Christmas Day
- New Year's Day

All other Federal Holidays will run on the this schedule. The Omak-Okanogan Shuttle operates on a modified Saturday/Holiday Route. Please contact the office if you need connecting information.
